

Summertime Fun for Wellesley Students Grades K - 5

 Week 1: July 9 - 12
 Week 2: July 16 - 19

 Week 3: July 23 - 26
 Week 4: July 30 - August 2

All classes are held at Sprague Elementary School 401 School Street • Wellesley

The Wellesley Recreation Department is pleased to announce the renamed and revamped WINGS program. WINGS will now be known as **R.E.C.** (Recreational Enrichment Classes).

We are thrilled to be able to o er some new and exciting educational and enrichment classes this summer such as Vet School, Coding, 3D Construction and Exploring Science just to name a few. Many classes are o ered in both the AM and PM sessions.

A brochure of R.E.C. will be sent home through the Wellesley Public Schools and is available for download at our website: wellesleyrec.org

# Woodworking

### 322537

### (Entering Grades K - 5)

Assemble fun projects out of wood. Take pride in making something useful. You will amaze your friends and family when you bring your creations home. Using hammers, nails, sandpaper and paint, children will build an assortment of crafts including a birdhouse, picture frame, sailboat, coasters and a key holder. All wood is precut to ensure safety.
